2 - 18 September 2011 | www.manlyartsfestival.com | 9976 1421

Welcome to the 2011 Manly Arts Festival, celebrating our creative diversity and passion for art in all its forms. A wide range of exciting events featuring prominent and emerging artists, film-makers, writers and performers is on offer and I encourage you to make the most of the wonderful program of events.

Manly Council is continually striving to improve the quality and diversity of its cultural programs and to create affordable and accessible opportunities for participation in the creative arts. The 2011 Manly Arts Festival achieves these objectives splendidly and I congratulate everyone involved.

Each year, Manly's arts and cultural organisations and Manly Council, with the support of local businesses, join forces to develop a creative and entertaining program of events for residents and visitors.

The strength of the Festival lies in its diversity, featuring visual art exhibitions, music, workshops, youth and kids events, theatre, performance and literary events.

In a major exhibition for the Festival, *Offshore*, Manly Art Gallery & Museum celebrates the artistic community of Scotland Island and Pittwater's western foreshores. *On the Beach* is also a terrific exhibition focussing on gems of the beach culture and swimwear collection. I urge you to visit the exhibitions and special events and be part of the life of this inspiring community gallery.

I encourage you all to immerse yourself in the 2011 Manly Arts Festival and to be inspired by the creativity and beauty around us. Thank you all - and enjoy the festival!
