

Exhibitors

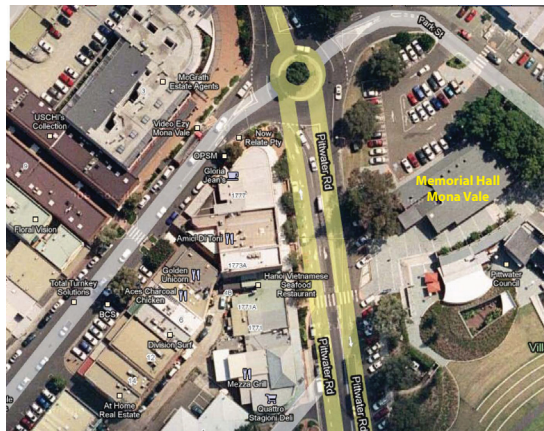

Autonomous Energy Photovoltaic Panels
Apricus Solar Hot Water Systems
Solahart Solar Hot Water Systems
The Solar Shop Photovoltaic Panels
Amnon Holland - Electric Vehicle
Australian Electric Vehicle Association
Permaculture North - Andrew Sutcliffe
Green Wall Company
Lizard Solar - Energy Efficiency
Pittwater Council
Climate Action Pittwater
Community Garden Pittwater
Pittwater High School
Systems Pest Management
Rootzone Greywater Recycling
The Natural Paint Place
Lighting
Comfort Heat - Hydronic Heating
Food Connect - Farmer to Consumer
Tri Nature - non-toxic cleaning
New Leaf Nursery - chickens
The Woodage FSC Timber
Mitre 10 Hardware Sustainable Products
Smart Water & Energy Solutions
Good Earth - Measuring/Metering
Fair Trade

See inside for Speakers and Workshops

This event has been sponsored by Autonomous Energy with generous assistance from Pittwater Council and Climate Action Pittwater's team of volunteers

Autonomous Energy

Location

Beside Pittwater Council Library
Civic Centre, off Park St. Mona Vale

this event is part of a global day of climate action in conjunction with 350.org, like the human sign on Mona Vale Beach in October 2009 leading up to Copenhagen
